

EUREKA! Writing Seminar

Want to help your students prepare for the Essay on the New SAT?*

EUREKA!  will come to your campus, FREE of charge, and teach students the steps to scoring well on the Essay

This can be done during school or after school

STUDENTS WILL LEARN:

- ❖ How to set up the essay, and why being prepared beforehand can earn them points.
- ❖ They have 25 minutes to write the essay, but the grader will have less than 2 minutes to grade it.
- ❖ Creativity and Accuracy don't matter, but Length and Detailed Examples do.

Both the teachers and the students said that the EUREKA Writing Seminar was very helpful in preparing for the SAT. I was so impressed by the feedback that we will be doing another one next year for sure.

I just wanted to thank you so much for meeting with my tenth and eleventh graders regarding the new essay section on the SAT Reasoning Test. It was so great watching those 100-watt light bulbs illuminate over the heads of my students when they realized that the techniques shared by Eureka would allow them to easily and successfully navigate the new essay. All schools should take advantage of having your speakers visit their schools for this free service!
